TO
BRAIN:
A JOURNAL OF NEUROLOGY,
FOR
VOL. LXIX, 1946.

INDEX OF AUTHORS.

PAGE

Adams, R. D., and Kubik, C. S.
Occlusion of the Basilar Artery—A Clinical and Pathological Study ... 73

Adrian, E. D.
The Somatic Receiving Area in the Brain of the Shetland Pony 1

Bogaert, L. Van, and Titica, J.
Heredo-Degenerative Hemiballismus 251

Cooper, E. R. A.
The Development of the Substantia Nigra 22

Cooper, E. R. A.
The Development of the Human Red Nucleus and Corpus Striatum ... 34

Cooper, E. R. A.
Accessory Optic Tracts in the Human Fœtus 45

Cooper, E. R. A.
The Development of the Nuclei of the Oculomotor and Trochlear Nerves (Somatic Efferent Column) 50

Glees, P., and Wall, P. D.
Fibre Connections of the Subthalamic Region and Centro-median Nucleus of the Thalamus 195

Hughes E. S. R., and Sunderland, S.
Pupillo-constrictor Pathway and the Nerves to the Ocular Muscles ... 301

Inglis, K.
Subdural Hæmorrhage, Cysts and False Membranes: Illustrating the Influence of Intrinsic Factors in Disease when Development is Normal 157

Joly Dixon, G., Kerr, A. S., and Sharp, M. E.
Meningitis Carcinomatosa: A Report of Two Cases 223

Kerr, A. S., Joly Dixon, G., and Sharp, M. E.
Meningitis Carcinomatosa: A Report of Two Cases 223

Kubik, C. S., and Adams, R. D.
Occlusion of the Basilar Artery—A Clinical and Pathological Study ... 73

Kugelberg, E.
"Injury Activity" and Trigger Zones" in Human Nerves 310

Liddell, E. G. T., and Phillips, G. C.
Striatal and Pyramidal Lesions in the Cat 264

McAlpine, D.
The Problem of Disseminated Sclerosis 233

Nathan, P. W.
Simultaneous Bilateral Stimulation of the Body in a Lesion of the Parietal Lobe 325

Nathan, P. W., and Ritchie Russell, W.
Traumatic Amnesia 280

O'Connell, J. E. A.
The Clinical Signs of Meningeal Irritation 9

Paterson, A.
Neurology and Psychiatry: Their Common Problems 58

PAGE

Phillips, G. C., and Liddell, E. G. T.
Striatal and Pyramidal Lesions in the Cat 264
Ritchie Russell, W., and Nathan, P. W.
Traumatic Amnesia 280
Rook, A. F.
Coughing and Unconsciousness: The So-called Laryngeal Epilepsy ... 138
Sandifer, P. H.
Anosognosia and Disorders of Body Scheme 122
Sharp, M. E., Joly Dixon, G., and Kerr, A. S.
Meningitis Carcinomatosa: A Report of Two Cases 223
Smith, Dean A.
Nutritional Neuropathies in the Civilian Internment Camp Hong Kong, January, 1942—August, 1945 209
Sunderland, S.
The Effect of Rupture of the Perineurium on the Contained Nerve Fibres 149
Sunderland, S., and Hughes, E. S. R.
Pupillo-constrictor Pathway and the Nerves to the Ocular Muscles ... 301
Titica, J., and Bogaert, L. Van
Heredo-Degenerative Hemiballismus 251

SUBJECTS.

Anosognosia and Disorders of Body Scheme. P. H. Sandifer 122
Basilar Artery, Occlusion of, A Clinical and Pathological Study. C. S. Kubik and R. D. Adams 73
Coughing and Unconsciousness: The So-called Laryngeal Epilepsy. A. F. Rook 138
Disseminated Sclerosis, The Problem of. D. McAlpine 233
Hemiballismus, Heredo-Degenerative. J. Titica and L. Van Bogaert 251
Human Red Nucleus and Corpus Striatum, The Development of. E. R. A. Cooper 34
"Injury Activity" and "Trigger Zones" in Human Nerves. E. Kugelberg ... 310
Meningeal Irritation, The Clinical Signs of. J. E. A. O'Connell 9
Meningitis Carcinomatosa: A Report on Two Cases. G. J. Dixon, A. S. Kerr, and M. E. Sharp 223
Neurology and Psychiatry: Their Common Problems. A. Paterson 58
Nutritional Neuropathies in the Civilian Internment Camp, Hong Kong, January, 1942—August, 1945. Dean A. Smith 209
Oculomotor and Trochlear Nerves (Somatic Efferent Column), The Development of the Nuclei of. E. R. A. Cooper 50
Optic Tracts, Accessory, in the Human Fœtus. E. R. A. Cooper 45
Pupillo-Constrictor Pathway and the Nerves to the Ocular Muscles. S. Sunderland and E. S. R. Hughes 301
Rupture of the Perineurium, The Effect on the Contained Nerve Fibres. S. Sunderland 149
Simultaneous Bilateral Stimulation of the Body in a Lesion of the Parietal Lobe. P. W. Nathan 325
Somatic Receiving Area in the Brain of the Shetland Pony. E. D. Adrian ... 1
Striatal and Pyramidal Lesions in the Cat. E. G. T. Liddell and G. C. Phillips 264
Subdural Hæmorrhage, Cysts and False Membranes: Illustrating the Influence of Intrinsic Factors in Disease when Development is Normal. K. Inglis 157
Substantia Nigra, The Development of. E. R. A. Cooper 22
Subthalamic Region and Centro-median Nucleus of the Thalamus, Fibre Connections of. P. Glees and P. D. Wall 195
Traumatic Amnesia. W. Ritchie Russell and P. W. Nathan 280

Notices of Recent Publications 70, 153, 335
